A great basketball tradition!

Once again this year, we are proud to offer young people an excellent opportunity to develop their basketball skills at a first-class facility – the Campus Recreation and Wellness Centre, home of the Lords. We invite you to take part in our 13th Annual Spring Basketball Recreational League, open to boys and girls in grades 4 through 12.

Durham College has enjoyed a great tradition in basketball over the past 30 years. And through this series of leagues, we continue to focus on the youth of our community. The co-ordinator of the spring league is Michael Duggan. Mike is a Varsity Athletic Coordinator for the Athletic Department of Durham College and the University of Ontario Institute of Technology. He is also a former coach of the DC Lords Women's Basketball Team, winning Coach of the Year during his term, as well as an Ontario Championship.

This year, we will again welcome the participation of parents and community coaches. We are looking for interested adults who wish to coach a team. We need you!

All participants must sign up individually. Teams will then be formed based on the information provided on the registration form. In the green and gold tradition, our focus is on sportsmanship and fair play!

More than 240 players took part last year, and we are very excited about year 13 of the Spring Basketball Recreational League.

We are sure you will enjoy a great experience at Durham College.

Sincerely,

Ken Babcock
Athletic Director
